

DISCOVER BERAL

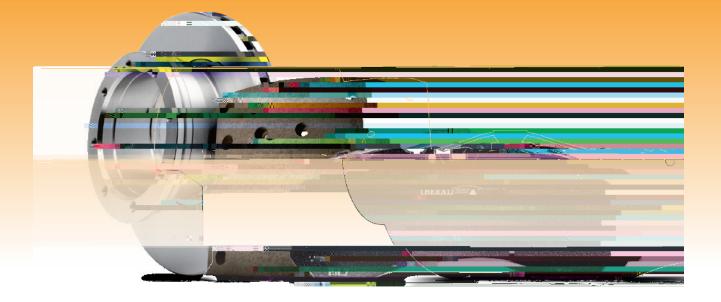

FULLY ON TOP OF GERMAN BRAKING EXPERTISE

3 REASONS BERAL® BRAKE PADS & DISCS ARE GAME-CHANGERS

- Premium materials created to endure
- Ultimate disc-pad synergy for best-in-class resistance
- Consistent stopping distance

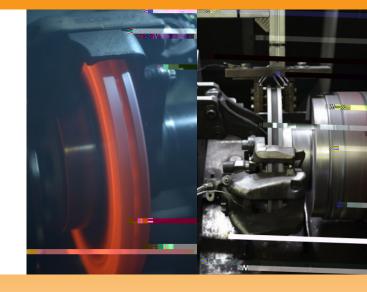

At BERAL®, we continuously develop new innovations to maintain powerful coverage of the CV market. From lab to real-life situations, BERAL® Braking Parts are specially designed to last longer, be more effective and most reliable.

All so you can limit downtime, repair costs and ensure safety on the road at all times.

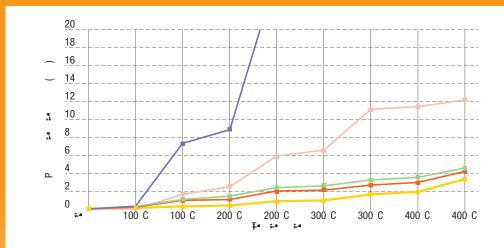

As our tests show*, BERAL brake pads & discs can not only compete with current OE standards, they outperform competitors on the CV market.

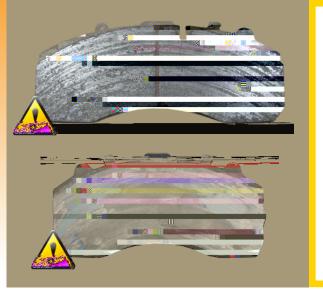

From leading-edge stopping distance to optimal wear resistance.
